

DEFENCE HYDRAS OPHYDRA

Multi-active moisturising cream - 50 ml vase

FEATURES

Richly textured and nicely melting into skin, this cream moisturises and improves skin's natural ability to retain water. Skin of the face will immediately feel smoother and softer.

INCLUDES

Hyaluronic acid in 5 active forms: counters water loss, normalises the natural cell renewal process, prevents damage caused by external agents, improves skin elasticity and tone.

Anti-free radicals vegetal complex: works as an anti-stress agent and, at the same time, strengthens skin:

- Gynostemma pentaphyllum extract: typically growing in the Far East and also referred to as the "plant of immortality", it targets intercellular cement with its energising and strengthening properties, thereby supporting the barrier function of skin.
- Rock Rose (cistus incanus) extract: found throughout the Mediterranean area, it is rich in polyphenols, thus has antioxidant properties to counter free radicals triggered by external environmental agents (UV radiation, pollution);
- Glutamine: it is the major amino acid in our body and is a source of energy for our cells.

Moisturising complex: its components allow to replenish the natural moisturising factor (NMF), enhancing the natural water-holding capacity of skin.

Restructuring Complex: patented blend of wetting agents and restructuring ingredients that work in synergy to moisturise skin and protect the skin barrier.

Zanthoxylum bungeanum extract: having a soothing effect, it provides relief from any burning, itching, irritation of the skin.

Jojoba oil + Karité (Shea) butter: perform a skin softening and re-hydrating action.

RECOMMENDED FOR

Moisturising dehydrated skin, especially sensitive and that easily gets irritation.

HOW TO USE

Apply morning and evening on face, neck and décolletage after thoroughly cleansing skin.

INCI LIST

aqua (water), diglycerin, isopropyl palmitate, cyclopentasiloxane, simmondsia chinensis oil (simmondsia chinensis (jojoba) seed oil), bis-diglyceryl polyacyladipate-2, glyceryl stearate, imperata cylindrica root extract, butyrospermum parkii butter (butyrospermum parkii (shea butter)), cetearyl alcohol, PEG-100 stearate, caprylyl glycol, bis-PEG-18 methyl ether dimethyl silane, sorbitol, sodium PCA, acrylamide/sodium acryloyldimethyltaurate copolymer, acrylates/C10-30 alkyl acrylate crosspolymer, dimethiconol, C13-14 isoparaffin, rosa centifolia water (rosa centifolia flower water), trehalose, sodium hyaluronate, hydrolyzed hyaluronic acid, hyaluronic acid, cholesterol, ceramide 2, glutamine, cistus incanus flower/leaf/stem extract, gynostemma pentaphyllum leaf/stem extract, zanthoxylum bungeanum fruit extract, hydrogenated lecithin, sclerotium gum, oleyl alcohol, PEG-8, sodium lactate, sodium carbomer, caprylhydroxamic acid, laureth-7, decyl glucoside, silica dimethyl silylate, butylene glycol, trisodium ethylenediamine disuccinate.

The list of ingredients is regularly updated. Nonetheless, always please refer to ingredients shown on product package.
